

“CHRISTIAN” HERESIES

What follows is a list of 182 heresies held to by various “Christian” groups. Some of these groups are cults and some are mainline denominations. This list started out as a list that we were going to put into a table and identify them to the specific cult or denomination that held to them and upload them to the internet. That proved to be a bit cumbersome and time consuming. This data was extracted from that table. Many of these heresies cross denominational boundaries and can be applied to many churches in America. In this list, we do not identify the heresies to a particular group. It is not our intent here to attack the individuals who may hold to these doctrines. Our issue is with the doctrine and not with the people. This list by no means covers all heresies.

a preacher, an evangelist, a missionary, a teacher, a church treasurer, or any other position in the church that could be perceived as having a divorced man exercising some sort of authority. But, by the way divorced man, do not forget to tithe and if you do not mind please sit on the back pew. Yet, many of these same people will allow a man that is guilty of serial adultery to continue pastoring, preaching, and teaching just so he does not have a piece of paper that says he is divorced. In 1 Timothy 3, there are at least 16 qualifications listed for those that would be a bishop. You almost never hear them preached on by these folks because most of them that preach the “husband of one wife doctrine” are guilty of violating at least one of these qualifications. Mind you that divorce is not mentioned, or even insinuated in the context of either 1 Timothy chapter 3 or Titus chapter 1.
