These very brief statements here do not even touch the surface of the material that we have looked at. We had considered posting the links to many of the internet sites that we have visited in our research for this project. However, much of the material that we have studied is very dangerous for immature (young) Christians to look at. Most of the internet sites we visited were put up by Christians, but because of the nature of the battle they are involved in their ministries have to present lurid details that are an abomination to the Christian conscience as well as morally offensive to most of the unsaved. Pray for them. I am not talking about church web sites, but web sites that have been put up by Christians with the sole purpose of fighting against the sodomite agenda. We could not stand large doses of it at one time because it was so spiritually oppressive and morally offensive. Those who push the sodomite agenda are hell bent on the destruction of Bible believing Christianity. They are pushing their agenda through infiltrating, subverting, and perverting our public schools, our government, our public institutions, our private institutions, our colleges, our places of employment, our entertainment, our hospitals, our military, and yes, even our "churches". We are rapidly approaching, if we have not already exceeded, the depravity and degradation of the days of the worldwide flood and the days of Sodom and Gomorrah. We believe that it is proceeding at a much faster rate than in the days of Sodom and Gomorrah because it is being pushed through the television, the internet, the print media, and the movie industry. **IF IT IS NOT STOPPED IT WILL LEAD TO THE DESTRUCTION OF THE UNITED STATES OF AMERICA.** Christian if you are reading this we would tell you that we do not have much time to present the gospel of the Lord Jesus Christ to others. Think about it! How can God continue to tolerate the wickedness of America when he destroyed both the world and then afterward Sodom and Gomorrah for the same wickedness that we are involved in.

Most Americans who watch television and movies and surf the internet are already swimming around in a toilet of sexual perversion and waiting to be flushed into the cesspool and sewer of sodomy. The sad fact is that many Christians feed themselves a constant diet of this spiritual cyanide. Christians are being spiritually dumbed down daily. Christians are being desensitized by the constant barrage of the occult and sexual perversion that they feed themselves through a daily diet of the television and the internet. For the Christian and the non Christian what is the cost for all this.

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

THE TERRIBLE COST OF AIDS

In 2007, there were 14,561 deaths from AIDS in the United States. As of the end of 2007, there had been 1,051,875 AIDS cases diagnosed in the United States. Since the start of the AIDS epidemic through the year 2007 there have been 583,298 AIDS deaths in the United States. That death count exceeds the total United States deaths in World War 2, the Korean War, the Vietnam War, and the Iraq/Afghanistan War combined. There have been 5,183 deaths in the United States from AIDS in children 14 and under since the start of the AIDS epidemic. There were 56,300 new AIDS cases in the United States in 2006. That number was expected to increase in future years. If we had a similar plague with a virus such as the H1N1 virus there would be a public outcry to do something to stop it. Why don't the politicians do something about the AIDS epidemic and those who spread. It is because the sodomites have latched onto their sin as a "civil right"?!?! Any other disease with a death toll as high as AIDS would have resulted in either a quarantine or some legislative or executive action to bring it under control. It is a proven fact that 83% of new AIDS cases are diagnosed in sodomite men (homosexuals). That does not count the AIDS that is spread into little boys who have been molested and sodomized by these devil possessed vile male perverts. Many of these sodomite men have also molested little girls. That 83% statistic also does not reflect the percentage of women who have been infected with AIDS by so called "bisexual men". There are at least 33,000,000 people worldwide that are infected with the AIDS virus. Since 1981, there have been at least 25,000,000 deaths from the AIDS virus. Worldwide at least 2,000,000 of those infected are children. Worldwide there are at least 11,600,000 children who have been orphaned by the AIDS virus. What is wrong with this picture?? Duh! We have millions that are dying worldwide because men will not give up their vile affections and our political leaders continue to pander to them. Wake up American leaders! The sodomites are causing untold millions of deaths worldwide and you are afraid to do anything about it! Or, maybe its intentional that you don't do anything about it since most world leaders, including American leaders, are strong advocates of population control. If you don't believe that statement, look at the percentage of American leaders who are pro abortion. None of the above statistics reflect the untold costs in billions of dollars in increased health care costs in the United States alone because of the AIDS epidemic.

THE PLAGUE OF DEATH UPON THE SODOMITES THEMSELVES - SODOMY SHORTENS THE LIFE OF THOSE WHO PRACTICE IT

Most of the following information is presented in short statements that come from data we have extracted from information we collected on the sodomite agenda in America. Most of it is presented as bullets with some occasional comments. You will be shocked at most of the facts.

A study has revealed that the top three health hazards for sodomite men in order of danger are: (1) AIDS, (2) Chemical Abuse (drugs), and (3) Same Sex Violence: sodomite against sodomite violence. The same study revealed the top three health dangers for sodomite women are: (1) Cancer, (2) Chemical Abuse, (3) Same Sex Violence: sodomite against sodomite violence.

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

In 1976, a rare form of scarlet fever infected many of the sodomites in San Francisco.

Obituaries numbering 6,516 from 16 U.S. homosexual journals over the past 12 years were compared to a large sample of obituaries from regular newspapers. The obituaries from the regular newspapers were similar to U.S. averages for longevity; the medium age of death of married men was 75, and 80% of them died old (age 65 or older). For unmarried or divorced men the median age of death was 57, and 32% of them died old. Married women averaged age 79 at death; 85% died old. Unmarried and divorced women averaged age 71, and 60% of them died old.

The median age of death for homosexuals, however, was virtually the same nationwide—and, overall, less than 2% survived to old age. If AIDS was the cause of death, the median age was 39. For the 829 sodomite men (homosexuals) who died of something other than AIDS, the median age of death was 42, and 9% died old. The 163 female sodomites (lesbians) had a median age of death of 44, and 20% died old.

Two and eight-tenths percent (2.8%) of sodomite males died violently. They were 116 times more apt to be murdered; 24 times more apt to commit suicide; and had a traffic-accident death-rate 18 times the rate of comparably-aged white males. Heart attacks, cancer and liver failure were exceptionally common. Twenty percent of sodomite females (lesbians) died of murder, suicide, or accident—a rate 487 times higher than that of white females aged 25-44. The age distribution of samples of homosexuals in the scientific literature from 1989 to 1992 suggests a similarly shortened life-span.

A study of 6,714 obituaries in gay newspapers across the U.S. revealed that 3% of 6,574 gays and 20% of 140 lesbians had died violently:

- 1.4% of gays and 7% of lesbians were murdered (rates over a hundred times those of non-gays);
- 0.6% of gays and 5.7% of lesbians committed suicide (rates dozens of times those of non-gays); and
- 0.6% of gays and 4.3% of lesbians died in motor vehicle accidents (over 17 times the rate of non-gays)

These events, coupled with various Sexually Transmitted Diseases (especially AIDS) gotten from other gays, resulted in a median age of death of 40 among sodomite men and a median age of death of 45 among sodomite women. In the same study, comparison samples of married men had a median age of death of 75 and married women a median age of death of 79. For divorced or single persons the median age of death was 57 for men and 71 for women.

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

THE EXTREME VIOLENCE AND CHILD MOLESTATION BY SODOMITES (HOMOSEXUALS)

The worst mass murders in United States history were committed by sodomite (homosexual) men. The world's worst mass murderers were sodomite (homosexual) men. Here they are documented for you:

- Donald Harvey claimed 37 victims in Kentucky;
- John Wayne Gacy raped and killed 33 boys in Chicago, burying them under his house and in his yard;
- Patrick Kearney accounted for 32, cutting his victims into small pieces after sex and leaving them in trash bags along the Los Angeles freeways;
- Bruce Davis molested and killed 27 young men and boys in Illinois;
- A male sodomite (homosexual) sex-murder-torture ring (Corell-Henley-Brooks) sent 27 Texas men and boys to their grave; and
- Juan Corona was convicted of murdering 25 migrant workers (he “made love” with their corpses).

Lesbian Aileen Wuornos (in Florida) in 1992 became “worst female killer” in the United States with at least seven middle-aged male victims.

The association between serial murder and sodomy (homosexuality) has a long history. Two gays (sodomite men) compete for the spot of “world’s worst murderer.” During the Nazi reign of terror, Auschwitz executioner Ludwig Tiene strangled, crushed, and gnawed boys and young men to death while he raped them. Though his grand total is uncertain, he often murdered as many as 100 a day. Gilles de Rais (Bluebeard) brutally destroyed the lives of 800 boys. Each lad was lured to his home, bathed and fed. Just as the poor boy thought “this is my lucky day,” he was raped, then killed by being ripped or cut apart and either burned or eaten.

A study of 518 sexually related mass murders in the United States from 1966 to 1983 revealed that 350 (68%) of the victims were killed by those who practiced homosexuality and that 19 (44%) of the 43 murderers were bisexuals or homosexuals.

A Washington state corrections counselor in a study that covered the years 1971-1982 said that in young murders under the age of 36 that about 50% of the murders they committed were connected to sodomy in some way.

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

A Canadian flight attendant deliberately shared his AIDS virus with an average of 250 men a year for a period of 11 years between 1970 and 1980. He was responsible for at least 40 of the first 248 AIDS cases in America.

In 1992 two Jeffersonville, Indiana lesbians, aged 17 and 16, abducted a 12-year-old girl whom they accused of trying to “steal a girlfriend.” The little girl was pushed into the trunk of a car, stabbed repeatedly, and beaten with a heavy metal bar. While still struggling, they poured gasoline on her and set her ablaze. Later that year a Fort Lauderdale, Florida 14-year-old was convicted of first-degree murder for helping to kill his 40-year-old father. The father “was stabbed 45 times and beaten so badly with an iron skillet that the skillet shattered.” The boy confessed that he helped his father’s former homosexual lover and roommate kill him so he and the 31-year-old “could live together.”

Even worse is the fact that an average of 27% of statutory rape (child molestation) involves homosexuality. In one study, 25% of white gays (sodomites) admitted to sex with boys 16 or younger when they were aged 21 or older.

Study after nationwide study has yielded estimates of male sodomites (homosexuals) that average 3%. The proportion of Female sodomites (lesbians) in these studies is almost always lower, usually about 1%. So, overall, perhaps 2% of adults regularly indulge in homosexuality. Yet they account for an average of 30% of all molestations of children.

Statistics show that 10% of the sons of sodomite fathers were molested by their fathers.

Four percent of male sodomites had their first sodomite experience with a school teacher.

A McCall’s Magazine survey of 1,400 school principals revealed that 35% of all sexual contact between a school teacher and an under age pupil involved sodomy (homosexuality).

Statistically speaking, a homosexual is at least 15 times more likely to molest a child.

In 1990 the Dutch Parliament passed a law lowering the consensual age for homosexual sex to 12 (Yes that’s right: twelve!).

The North American Man-Boy Love Association (NAMBLA) has a stated goal of the removal of all legal barriers to man-boy sex. These sodomites think that the molestation of young boys is a civil right. In other words, they think they have the right to sodomize your sons no matter how young they are.

Officials at a facility which serves about 1,500 runaway youngsters each year estimate that about half of the boys have been homosexually abused and 90% of the girls heterosexually assaulted.

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

Investigation of those suffering severe chronic mental illness implicates child molestation as a primary cause (45% of their youngsters were homosexually abused).

A 1991 Massachusetts study of 100 convicted child molesters showed that 33% were homosexual, 33% were bisexual, and 33% were heterosexual. We think they missed the boat. The group of "heterosexuals" were also sodomites because they sexually molested children.

The three largest studies of child molestation prove that if a child was molested by a sodomite, that fully two-thirds (66.6%) of the children would engage in homosexuality as an adult. Any attempt to get justice for a child that has been molested by a sodomite is viewed as gay bashing. One such event was the recent molestation of a five year old by his sodomite adoptive father who was a professor at Duke University. He tried to peddle his five year old adoptive son, whom he had been molesting, to another sodomite and was caught by the FBI. Little was made of it in the left wing news media. Compare that to the firestorm that was stirred up when some Duke lacrosse players were falsely accused of raping a black woman. Where is the righteous indignation now?

THE SODOMITE AGENDA IN PUBLIC EDUCATION

Another area that should be of great concern for Christians is the wholesale incorporation of the sodomite agenda into the public education system. Books are being pushed that promote same sex parenting. Sodomite relationships are being promoted as natural in our public school systems. Our children are being taught that sodomy is an okay lifestyle. The method being used is to have the secular humanists feed them a constant diet that is designed to program them into accepting the sodomite life style. Our children are being brain washed into accepting the sodomite life style. If I tell you all your life that black is white, then at some point in time you will argue with me that black is white even if it is not true. Our young children are being forcefully fed sodomite propaganda. Our young children are also being sodomized in the public school system. Do you think that we are trying to mislead you when we say that there is a sodomite agenda for our public schools?

There is a group called the Gay, Lesbian and Straight Teachers Network (GLSTN) based in New York City that has over 4,000 members located in 40 different chapters throughout the United States. At the beginning of each school year the GLSTN promotes a back to school campaign to promote the sodomite agenda in public schools. They are promoting curriculum development such as a Lesbian, Gay, and Bisexual History Project and support programs such as Gay-Straight Student Alliances. They use videos to indoctrinate school teachers and school administrators. One of these videos serves as "a window into how teachers can find ways to teach children about gay issues," particularly in elementary - and middle-school classrooms. Did you hear that: particularly in elementary and middle school classrooms? I have viewed parts of these videos and I am appalled that they would be allowed to brainwash our children in such an ungodly manner. One of these videos attacks the Bible as a source for one's beliefs. In Provincetown, Mass., the school board has voted

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

to begin teaching preschoolers about homosexual lifestyles and to back hiring preferences for sexual minorities.

This is not about education. It is about spiritual warfare. It is about pushing the liberal sodomite socialist agenda. They want to corrupt and defile our children. If a Christian organization tried to promote Biblical principals in public schools in the same manner and using the same underhanded tactics they would have the whole sodomite socialist political regime in Washington to come down on their heads. The United States Senate, the United House of Representatives, and the Whitehouse are full of sodomites and those who fear them! If Bible believing Christians resorted to this type of behavior, the anti American ACLU would marshal all their Satanic forces to do whatever they could to deny Christians their basic Constitutional rights. Where is the outcry against the violation of the rights of Christians. It is definitely not coming from the demon possessed halls of Congress or the devils that occupy the filthy chambers of the Whitehouse.

WHAT ABOUT SODOMITE ADOPTION OF CHILDREN?

What about sodomites being allowed to adopt children? The logical conclusion of the sodomite agenda is the destruction of mankind. If sex did not take place naturally between a man and a woman, there could be no reproduction of children. That would result in the extinction of humanity. The sodomites want God to make an exception for them. They want to violate God's laws of natural reproduction. Children are a privilege reserved to those who are willing to have sex God's way. That is why God declared same sex relationships an abomination. They cannot reproduce their kind naturally because a man and man or a women and a woman cannot produce offspring. Duh! That is another proof that sodomites are not born, but are perverted into unnatural beasts. So, the sodomites want straight people to produce children for them that they can then take and sodomize and make the children like themselves. It is not about love for the sodomite. It is about the feeding of the unnatural sexual desires of brute beasts. They want a new victim. They are all great pretenders. They want to pretend that they can be parents. Being a parent is not a civil right that can be legislated against the laws of God. God intended that a man and a woman, and only a man and a woman, should be parents. That is why a man and a man and a woman and a woman cannot reproduce children. Duh! Another aspect to the problem is that the sodomites expect a mother to bear a child for nine months and then suffer the pains of a child birth that they (the sodomites) can have no part in. It is a situation that violates the natural laws of God. For the child, where is the mother's nurturing love in a man and man relationship? For the child, where is the father's disciplining hand in a woman and woman relationship. We are also opposed to artificial insemination for sodomite females. We say that if a sodomite wants children let them permanently forsake their sin and do it God's way. They must not be allowed to adopt children. Having children is a natural right and not a civil right! It is the height of selfishness and self deification for a sodomite to think that they have a right to children outside the natural realm of human reproduction. God has reserved to Himself the right to have children outside the natural realm of human reproduction. All Christians are children of God. Furthermore, there is no where in the animal kingdom where God

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

allows offspring for same sex animals. Do it God's way or don't do it at all! President Obama is in favor of letting sodomites adopt children. **WOULD PRESIDENT OBAMA ALLOW A SODOMITE TO ADOPT HIS CHILDREN?**

THE CORPORATE AND POLITICAL ATTACK AGAINST CHRISTIANS

Christians are being discriminated against in the corporate business world by what amounts to a gag order from the federal government. You either conform to the sodomite agenda or face stiff penalties. Government workers are also falling victim to this federal institutionalized discrimination against Christians. Free speech for Christians is out. Christian bashing is definitely in. All have rights except fundamental Bible believing Christians. Men and women are being fired and denied promotions because they state that they are opposed to sodomy. A Christian man was recently fired from Brookstone stores at Logan International Airport in Boston because he told a woman that it was his Christian conviction that same sex marriage was wrong. Many corporations and the federal government require that employees attend sensitivity training and sexual harassment training with the focus on homosexual rights. A couple in Texas was sued because they refused to perform services for a sodomite wedding. Allstate Insurance Company fired Matt Barber because he wrote an article on his own time that was critical of homosexuality. That is nothing more than using economic pressure, or blackmail and extortion, to stifle the free speech rights of Christians. It is unconstitutional. A church in South Carolina was sued because they refused to rent their facilities to a group of sodomites. We could name many more examples where the government and "private corporations" are using blackmail and extortion to violate the free speech rights of those who speak out against the sodomite agenda. Many major corporation are sponsoring "gay??" events. Don't even dare to sponsor a Christian event because some sodomite, the ACLU, or the government will take you to court.

One of the biggest legislative and executive tragedies in our history was the passage of the hate crimes legislation in the United States Congress in October of 2009. Just because you do not like something I say, does not make it a crime if what I state is a fact. Its called freedom of speech. The hate crimes legislation was a travesty against Christians. The hate crimes legislation is just another step in Satan's master plan to imprison Christians who in their exercise of freedom of speech call sodomy what it is . **SODOMY IS SIN. SODOMY IS AN ABOMINATION BEFORE GOD.** A study of statistical data proves that the only violence that sodomites have to fear is that perpetrated against sodomites **BY** sodomites (See the discussion above). Much of their perverted pleasure is derived from beating one another up. Statistically they are **THE MOST VIOLENT** group in America. Want to see what your vile President and Congress are up to. There are many bills that are on the sodomite agenda that are being sponsored before the United States Congress. Read the following:

* Hate Crimes ("Thought Crimes") — STATUS: passed House and Senate attached as amendment to DoD appropriations bill: HR 1913: now in House-Senate

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

conference; NOW PASSED

* Federal “Special Workplace Rights” Based on Homosexuality and Gender Confusion — ENDA (Employment Non-Discrimination Act (HR 3017; S 1584) — 40 co-sponsors in Senate (all but 2 are Democrats):181 co-sponsors in the House (all but 5 are Democrats).

* Allowing Admitted Homosexuals in the Military — HR 1283, audaciously entitled, “Military Readiness Enhancement Act of 2009?; 176 co-sponsors: all but one are Democrats.

* Homosexuality Indoctrination in Schools via “Bullying”/”Safe Schools” Funding — HR 2262, innocuously titled, “Safe and Drug-Free Schools and Communities Act”: 88 cosponsors (all but 1 Democrats).

* Federal Domestic Partner Benefits for Homosexuals: (HR 2517); sponsored by lesbian Rep. Tammy Baldwin, D-WI); “Domestic Partnership Benefits and Obligations Act”; 110 co-sponsors, all but 1 are Democrats.

* Repeal of DOMA (Defense of Marriage Act); HR 3567: mischievously named the “Respect for Marriage Act” it would repeal DOMA, which protects states from being forced to recognize out-of-state “gay marriages”; homosexual Rep. Barney Frank (D-MA) opposes this bill due to timing.

* Homosexual “Couples” Immigration Expansion — “Reuniting Families Act” (HR 2709): “would allow homosexuals to sponsor their “permanent partners” for residency in the United States”

Write, e-mail, and call your Representatives and Senators to protest this vile legislation.

President Obama is the most pro homosexual (sodomite) President America has ever had. President Obama continued his pro-homosexuality pandering in a September 28 “Family Day” proclamation — by including children raised by a “same-sex couple” in a list of types of “American families” (see bold text below). Of all the family types he lists, only one — homosexual-led “families — intentionally creates motherless or fatherless households. There is no moral equivalence between children raised without a mom or dad due to a tragedy (death of a spouse, divorce, a father who abandons his family, etc.) and the same caused by two homosexual adults who defy nature by borrowing from heterosexuality to produce a child — and then dispense with God’s wise provision of mother-father parenthood to raise it.

This is the obvious difference between Obama’s “families” that social liberals refuse to acknowledge, or make relevant to public policy. “Queer” parenting and “gay” adoption are a part of radical social experiment in progress — and innocent children are the guinea pigs. Who can know the effect on a young child being raised by two homosexual men like Gay Adoption Poster Boy Dan Savage — who boasts of the “three-way” sex he and “husband” Terry engaged in while parents of an adopted boy.

THE CONSEQUENCES OF SEXUAL PERVERSION AND SODOMY

On June 17, 2009 President Obama signed an executive order extending federal benefits to “gay??” partners of federal government employees.

President Obama (Obamanation) has also appeared at several “gay??” sponsored events to assure them that he is for promoting their “rights”. At a fundraising event for the sodomite Human Rights Campaign, Obama was the keynote speaker and stated that homosexuality-based relationships are just as real and admirable as normal and natural relationships between a man and a woman. President Obama is a man that is on par with Ahab in Israel and Manasseh in Judah when it comes to promoting the wicked sodomite agenda. In one sense President Obama is much like they are. His conscious is just as seared as theirs is. We think that Romans 1:32 is very appropriate here:

“Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them”.

Most of our leaders today are no different than those that God judged with the worldwide flood and the destruction of Sodom and Gomorrah. They are worthy of death. I am not saying that we should kill them, but I am saying that God would be totally justified in destroying them and their sponsors.

I have never studied anything so vile and repulsive in my life. I feel like I have been violated by Satan himself. Christians, we need to pray for the salvation for these vile people. They need Jesus. We also need to pray that God will protect us and our children from their vile affections and their violence. God deliver us. Even so come Lord Jesus.

Americans how many of our children will have to go through the fires to Molech before we will stand and fight for them? How many of our children will have to be thrown to the feeding frenzy of Satan’s sharks of sodomy?

There is much more information out there. The details are just to lurid and to filthy to present in the context of a discussion that many Christians will look at. When it comes to acts of sodomy, the Devil really is in the details. SODOMY IS PURELY SATANIC. Those who practice it are children of the devil.

Child molesters are sodomites no matter what their stated sexual preference is.
